Θέμα: Re: Phishing/Trademark Claim - Mondelez International

Dear team

Our company hereby states under penalty of perjury that we are authorized to act on behalf of Mondelez International. Mondelez International holds many different kinds of Intellectual Property Rights (“IPRs”), such as the **MDLZ** and **Mondelez** marks (please PDF certificate attached and LoA to support this request).

This letter is to notify you and all related entities thereto that the website available at the flagged domain names are a phishing website designed to unlawfully obtain personal data, such as personally identifying information, usernames, passwords, and financial data. The website illegally uses Mondelez Internationals trademarks, without Mondelez International permission, and could possibly be used to host login capabilities similar to Mondelez International official websites to cause confusion as an official Mondelez International website.

Phishing websites:

mdlz.gr
<http://www.mdlz.gr/index.php/protasi-pros-mondelez>

Legitimate website:

mdlz.com

Please could this be removed ASAP to protect consumers as well as Mondelez International's brand reputation.
