Dear prospective partners.

I shared my proposal for creating online stores:

1. To our Prime Minister **Kyriakos Mitsotakis** where he received protocol number **4659/2024**
2. To the Minister of Development **Theodorikakos Takis** where he received protocol number **452/2024**
3. To the Minister of Rural Development & Food **Konstantinos Tsiaras** where he received protocol number **2078/2024**

Dear prospective partners.

Our project must also be supported by governments around the world and I expect from you your own actions for this purpose.

Yours sincerely
